

Helping the underprivileged
with kidney ailments...

Annual Report

2012 - 2013

A world that ensures good health care and medical facilities to all

Our Vision:

No patient should be denied treatment due to financial constraints and everyone has the right to good health and treatment.

Our Mission:

To detect, prevent and raise awareness on kidney ailments and to provide quality, affordable treatment to underprivileged people

TANKER (an acronym for Tamilnad Kidney Research) Foundation is a non-profit registered trust, founded on 30th June 1993 by Dr. Georgi Abraham Prof of Medicine and Consultant Nephrologist and likeminded people to reach out to under-privileged patients with kidney disease.

TANKER aims to provide health care and financial assistance to those who have kidney problems and do not have the wherewithal to seek medical attention.

TANKER cares for, the underprivileged, who suffer kidney problems of any kind, regardless of caste, creed, sex or religion.

TANKER along with our goodwill ambassador actor Suriya intends to set up subsidized dialysis units in other parts of Tamil Nadu.

TANKER with Actor Suriya's help aims to take kidney disease awareness programmes to schools and colleges all over Tamil Nadu.

Helping the underprivileged
with kidney ailments...

Tanker Update:

We have completed 20 years of service for the underprivileged with kidney ailments. With the support of donors and well-wishers, we have meaningfully contributed to healthcare, research, training and advocacy connected to kidney disease. From June 1993 till **March 2013**, TANKER has provided **118,197 free and subsidized dialyses** for **755 patients**. We have also given financial support to the tune of **Rs. 83.46 Lakhs to 1512 patients** as one-time contributions ranging from Rs.5,000/- to Rs.50,000/- for transplantation, medication, investigation and fistula surgery costs.

Our three subsidized dialysis units have a total of **32** Dialysis Stations. The first is in Kilpauk (Chennai) and the other two are in Ambattur Rotary Hospital (Chennai) and TVS Hospital, Chokkikulam (Madurai). We do **1511** dialyses per month, of which **524 are free of cost**. At present, we help **175 patients** in our units. We also have dialysis facilities at **PIMS, Pondicherry and G. B. Pant Hospital, Port Blair** and hope to set up units in Coimbatore and Salem. In November 2009, we extended our support to HIV patients with kidney disease. Our HIV Dialysis Unit at Kilpauk provides dialysis to underprivileged HIV patients and is the first of its kind in India.

Along with helping our patients, spreading the word about kidney disease is equally important to TANKER. We have reached out to more than **77,000** people with the **386 Awareness Programmes** we conducted at schools, colleges, law enforcement offices and public forums. We have also screened **3500 individuals** for early detection of kidney disease through our **34 screening camps**. As the field of research in kidney diseases requires more attention and guidance in India, TANKER also gives awards for research in Nephrology and service to the tune of Rs. 5 lakhs every year.

Research & Service Awards Given Annually

Our 20th Annual Charity Awards Nite was held on Friday, 25th January 2013 at Hotel Savera, RK Salai, Chennai. For the past three years TANKER has used this special night as a platform to recognise and appreciate the efforts of professionals working tirelessly to improve the lives of people, especially the underprivileged with Chronic Kidney Disease.

TANKER presents research and service awards every year during the time of Republic EveNite. TANKER Charity Nite, does recognize and honour doctors for their services to people. On Jan 25th 2013 the following awards were presented.

The Krishnan Ang TANKER Foundation Endowment Lecture was delivered by **Ms. Nancy Spaeth**, a kidney patient since 1959 who more than exemplifies the strength of the human spirit and its ability to supervene life's

obstacles. **Her lecture was on "A Good Life with Kidney Disease". She was awarded the La Renon TANKER Foundation Award "For the Sake of Honour"** This award is given to an individual who has done exemplary work in his or her field. The award carried a cash prize of **Rs. 1,00,000/-**, a citation and a gold medallion.

The Muthoot M. George Memorial TANKER & Kerala Kidney Research Foundation Young Investigator Award for outstanding research done in the field of Nephrology in India was awarded to **Ms. Shruti D. Dave, M.Sc,**

Ahmedabad for her research into "Transplantation Tolerance". The award carried a cash prize of **Rs. 2,00,000/-**, a citation and a gold medallion.

The Renny Abraham TANKER Foundation Love for Service Award for a medical doctor who has gone beyond the call of duty in serving the underprivileged was awarded to **Dr.**

H.L. Trivedi, F.R.C.P.(C), D.Sc., Prof.

& Director, Institute of Kidney Diseases & Research Centre (IKDRC) Institute of Transplantation Sciences (ITS), Ahmedabad. One of the most distinguished achievements of his life is his breath-taking invention of developing insulin-making stem cells in the lab with which he has treated diabetics. The award carried a cash prize of **Rs. 1,00,000/-**, a citation and a gold medallion.

The K.Venkatanarayana TANKER Foundation Awareness Award was presented to two individuals for creating awareness of any disease, mental, physical and social.

Dr. Vijaya Bharathi Rangarajan B.Sc, (Hons), MBA(Canada), BDS, of CAN-STOP - "Counselling and awareness to Cancer-Affected patients, their families and friends". The award carried a cash prize of **Rs. 50,000/-** a

citation and a gold medallion

Mrs. Ann Gonsalves BA. CAIIB - "Creating awareness of a debilitating illness through the Multiple Sclerosis Society of India". The award carried a cash prize of **Rs. 50,000/-**, a citation and a gold medallion.

Helping the underprivileged
with kidney ailments...

with kidney ailments...

TANKER BENEFICIARIES

Financial Contributions: History of some patients helped by TANKER

Dialysis:

Photograph & details of the beneficiary on dialysis:

Brief description about the patient:

Ms. Sasikala, 17 years of age, stays with her parents in Chennai. She secured 68% marks in her plus two higher secondary examination last year. Now, she is doing her graduation. Her mother is a housewife and her father works in a private concern and earns Rs. 6,000 per month. Her brother is studying in college.

From birth Ms. Sasikala had Epispadias. . She had dysfunction of the urinary bladder due to disease of the central nervous system or peripheral nerves involved in the control of urination. She had renal failure due to frequent urinary infection. In 2011 she was diagnosed with renal failure. She had the symptoms of oedema and breathlessness. First she started dialysis in a private hospital.

The cost per dialysis in Private Hospitals ranges from Rs. 1,000/- to Rs. 2,500/- plus consumables. Later on,

Helping the underprivileged
with kidney ailments...

her father could not afford the dialysis expenses. Her doctor referred her to TANKER. Now she is supported for her dialysis expenses by her father's employer. On the 7th of September 2011 Ms. Sasikala joined the Ambattur dialysis unit. She has registered for cadaver transplant in a private hospital because as she has neurogenic problems the doctors in Governmental hospital refused to register for cadaver transplant. Her health has improved greatly after taking regular dialysis. She is thankful to TANKER donors for helping her with her dialysis costs.

Medication:

Brief description about the patient:

Master. K. SelvaBalaji, aged 16 years, resides in Chennai. His father is a coolie and earns Rs.400/- per day. His mother is a tailor and earns Rs. 100/- per day. He has two school going sisters. Master. K. SelvaBalaji had renal problem from birth. He consulted a doctor in a Government hospital, Chennai. He had end stage kidney disease due to bilateral reflux nephropathy. A person with reflux nephropathy has abnormal, backward flow of urine from the bladder into the kidneys. The cause for reflux nephropathy is unknown. Normally, the ureter does not allow urine to flow from the bladder to the kidney. Patients with reflux nephropathy, the valves in the ureter do not function properly, and urine flows backward from the bladder, through the ureter, and into the kidneys. This can lead to kidney disease. In 2007, he underwent transplant at Apollo Hospital in Chennai on 14th June 2007. His father was the donor (Age 45). All

transplant patients are required to take anti-rejection medication for the rest of their lives. The monthly expenses for his medicine is nearly Rs.10,000/-. As he could not afford to meet his medical expense, he approached TANKER for medication.,TANKER could provide the required medicines with the support of our generous donors.

Investigation:

Brief description about the patient:

Baby S. Kavya, aged 10 years, resides in Chennai. Her mother is a teacher and earns Rs. 2,000/- per month. Her father is not living with them. Baby S. Kavya has renal problem from birth. One kidney is in perfect condition another one is damaged. In 2013, she had severe stomach pain and was on treatment at Government General Hospital at Chennai. Her mother approached us for financial assistance for **Plain CT KUB, DTPA and DMSA Scan** which was done with the support of TANKER donors.

Fistula Surgery:

Brief description about the patient:

Mrs. Vasantha aged 61 years. She is a home maker. Her husband is working as a security in private concern and earns Rs. 5,000/- per month. They have a married daughter. In 2011, she had a symptom of less urine output and was on a medication for the past two years. In 2013, she consulted a doctor in a private hospital. After investigation the report showed that creatinine level is high and was diagnosed as renal failure. She was advised for dialysis and has approached us for financial assistance for her **Fistula Surgery** which was done with help from TANKER donors.

EPO Injection:

Brief description about the patient:

Mr. N. Viswanathan, aged 53 years, resides in Chennai. He is working as a part time accountant. His wife is a home maker. He has a son who is a B.Tech student. In 2011, he had a problem of breathless. He consulted a doctor in a private hospital. After investigation the report showed he had renal failure and was advised for Peritoneal dialysis (CAPD). The doctor advised him to take EPO injection (2000 K) weekly twice. He has approached us for financial assistance for EPO Injection which was done with help from TANKER donors.

with kidney ailments...

Awareness and Prevention Programme

World Kidney Day 2013 Activities

In 2013 World Kidney Day is focusing on Acute Kidney Injury. "Stop Kidney Attack"

1. TANKER Foundation Smt. Lakshmi Venkataraman Endowment Oration:

TANKER Foundation organised the Smt. Lakshmi Venkataraman Endowment Oration to raise Awareness about Organ and Cadaver Donation. Rev. Fr. Davis Chiramel – A Catholic priest by profession, Founder and General Secretary of Accident Care Transport Services (ACTS), President of Janananma and Launcher of 'Kidney Federation of India' was the speaker of the Day. It was attended by over 600 people across various sections of the society. He spoke on his experience of donating one of his kidneys to a needy electrician in Kerala and also of rousing the Kerala people to pledge their organs. More details on www.fr.davischiramel.com

2. Awareness programme on prevention of kidney disease was conducted for the teachers of Chennai Schools.

Awareness programme on prevention of kidney disease was conducted for the teachers of Chennai schools. Mrs. Rajalakshmi Ravi, Advisory

Member, TANKER Foundation made a power-point presentation. 500 teachers from various schools participated. It was conducted with the aim of creating awareness about early detection and the preventive measure to students through the teachers.

Dr. Gopalakrishnan, HOD, Department of Nephrology, Madras Medical College chaired the Question & Answer session. Educative materials were distributed.

3. Poster competition for the students of the Chennai Schools.

Awareness programme on prevention of kidney disease was conducted at all 72 Chennai High and Higher Secondary Schools in collaboration with the Education Department,

Corporation of Chennai. We conducted a poster competition for those students, to further sensitize them to this issue. Participants and winners received certificate and exciting prizes.

4. Walkathon

A walkathon was conducted on the 8th world kidney day on Thursday, March 14th 2013 along the Marina beach. 400

students from various schools and colleges participated in the walkathon. They carried placards depicting alerts for prevention of kidney disease. The event was flagged off by Mr. V.R. Lakshminarayanan I.P.S, former Director General of Police.

Helping the underprivileged
with kidney ailments...

5. Awareness programme at the Steel Authority of India

Awareness programme on prevention of Kidney Disease was conducted for the executives of the Steel Authority of India at their Chennai Office.

Mrs Rajalakshmi Ravi made the presentation. Dr. S. Suresh, Nephrologist and Advisory Member, TANKER foundation, chaired the Q & A session. 35 executives attended the programme which was followed by an hour long interaction. Educative materials in English were distributed.

6. Awareness programme at Sri Sai Ram Engineering College

Awareness programme on prevention of kidney diseases was conducted by Mrs Rajalakshmi Ravi, for the students of Sri Sai Ram Engineering College, near Chennai. as part of their International Women's Day celebrations. 600 students attended the programme. Educative materials in English were distributed.

7. Awareness programme for Inter-Mission Industrial Development Association – IIDA

An awareness programme on kidney disease was conducted by Mrs Devi Pandian, for the students of a community college, at Perungudi near Chennai. 40 students attended the programme. Educative

materials in local language were distributed.

Helping the underprivileged
with kidney ailments...

8. Awareness programme for a tribal Community near Chennai

Awareness programme on prevention of kidney disease was conducted Mrs Devi Pandian, Programme Officer, TANKER Foundation for a tribal Community (snake catchers) at a village near Chennai. 80 people attended the programme. Educative materials in local language were distributed.

9. Awareness programme for the women of Aayalur Village, near Chennai

Awareness programme on prevention of kidney disease was conducted by Mrs. Rajalakshmi Ravi at a village called Aayalur near Chennai. 50 women attended the programme. Educative materials in the local language, Tamil, were distributed.

10. TANKER Suriya CD screened at Railway Stations.

A short footage covering the causes for and prevention of kidney disease, rendered by a popular film actor Mr Suriya our Goodwill Ambassador was screened at various Railway Stations in Southern India. It was also screened inside a few prestigious long distance trains. The outreach was for over 2,00,000 people who were travelers.

11. Screening Camp at M.G.R Adarsh Matriculation Higher Secondary School for the members of Mogappair Malayalee Samajam Chennai.

A screening camp was conducted for the members of Mogappair Malayalee Samajam at M.G.R Adarsh Matriculation Higher Secondary School. 63 individuals above 30 years were screened in the programme. 36 individuals were found to have BMI > 25, 44 individuals had BP > 120/80, 11 individuals had urine glucose \geq 1+, 15 individuals had urine protein \geq 1+, 3 individuals had Serum Creatinine \geq 1.2 and 20 individuals underwent screening with portable Ultra Sound facility.

TANKER INAUGURATIONS

Timely replacement of Haemodialysis machine is absolutely essential for effective clearance. The life of a haemodialysis machine's is 5 to 6 years. On 21st July 2012 Madras West Round Table (MWRT) 10 & Ladies Circle 2 donated a New Haemodialysis Machine to TANKER Foundation. The Machine was inaugurated by Mr. Sanjay Arora, IPS, Additional Commissioner of Police, Traffic at Rekha Memorial **TANKER** Foundation Subsidized Dialysis Unit, No. 766, Poonamalle High Road, Kilpauk, Chennai - 600010.

Art Auction

TANKER Foundation fundraising and Art Auction Programme was held at GRT Grand, Thiyagaraja Road, T. Nagar, Chennai on 11th August 2012 for supporting needy patient from Chronic kidney Disease.
