# **Annual Report 2016 - 2017**

## OUR VISION

A world that ensures good healthcare and medical facilities to all.

## OUR MISSION:

To provide quality, affordable treatment to underprivileged people, to create wareness, to detect and prevent kidney ailments.

## Our Goodwill Ambassador

TANKER along with our goodwill ambassador actor Suriya intends to set up subsidized dialysis units in other parts of Tamil Nadu.

TANKER with Actor Suriya's help aims to take kidney disease awareness programmes to schools and colleges all over Tamil Nadu.

## Trustee's Message

Dear TANKER- Friend,

I have a pleasure in presenting the Annual Report for the year 2016-2017. This Annual Report aims at showing you what we have achieved since TANKER'S inception in 1993 and the progress we have made this year.

TANKER (Tamilnad Kidney Research) Foundation is a registered non-profit charitable trust founded by Dr. Georgi Abraham and likeminded people in June 1993 with the main aim of providing subsidized dialysis and financial assistance for transplantation, medication and investigation costs to the underprivileged with kidney disease. TANKER Foundation also does awareness programmes on kidney disease and screening camps for early detection of kidney disease.

We have completed **23 years** of service for the underprivileged with kidney ailments. With your help, we have meaningfully contributed to healthcare, research, training and advocacy connected to kidney disease. From June 1993 till **March** this year, TANKER has provided **204,358 free and subsidized dialysis** for **987 patients**. We have also given financial support of **Rs. 125 Lakhs to 2714 patients** as one-time contributions

ranging from Rs. 5,000/- to Rs. 50,000/- for transplantation, medication, investigation and fistula surgery costs.

Our four subsidized dialysis units have a total of **62** Dialysis Stations situated in Ambattur Rotary Hospital (Chennai), TVS Hospital, Chokkikulam (Madurai), RVS College of Nursing, Kannampalayam, Coimbatore and in Corporation P.H.C, Nungambakkam, Chennai. We do **2,463** dialyses per month, of which **2,051 are free of cost** with valuable help from **the Chief Ministers Comprehensive Health Insurance Scheme (CMCHIS) and other donors**. At present, we help **289 patients** in our units. We also have a dialysis facility at **PIMS, Pondicherry**. In November 2009, we started our HIV Dialysis Unit providing dialysis to underprivileged HIV patients. This is the first of its kind in India. We also support Kerala Kidney Research Foundation, which provides free and subsidized dialysis at Thiruvalla Medical Mission, SH Hospital, Kottayam and PVS Hospital, Kochi(Kerala). TANKER has set up a new unit in February 2016 in Imphal, Manipur along with Catholic Mission Centre Hospital with 4 machines and other equipment to the tune of Rs. 33 Lakhs.

Almost 2.5 lakh people die of kidney failure in India every year. It is the third largest killer after malignancy and heart disease. Along with helping our patients, spreading the word about kidney disease is equally important to TANKER. We have reached out to more than **1.18 lakh** people with the **790 Awareness Programmes** we conducted at schools, colleges, law enforcement offices and public forums. We have also screened **25,000 individuals** for early detection of kidney disease through our **249 screening camps**. As the field of research in kidney diseases requires more attention and guidance in India, TANKER also gives awards for research in Nephrology and Service to the tune of Rs. 7 lakhs every year.

We cannot achieve all this without the support of our donors and partners. We are very grateful to them for helping us reach out to more underprivileged people.

Thank you,  
Latha A. Kumaraswami  
Managing Trustee

## **Awareness and Prevention Programme**

**12<sup>th</sup> World Kidney Day - 09.03. 2017**

**In 2017 The focus of World Kidney Day is on "KIDNEY DISEASE AND OBESITY"**

## **Activities**

**WORLD KIDNEY DAY ACTIVITIES – 09<sup>th</sup> MARCH – 2017.**

The latest dialysis technology — Hemodia filtration — was inaugurated at SIMS hospital on the occasion of World KidneyDay. Mrs. Latha Kumaraswami represented TANKER & IFKF

Awareness Programmes and Screening Camps were conducted to general public for World kidney Day

### **TAPP CLINIC**

TANKER Foundation in coordination with Rotary Club of Ambattur is conducting an exclusive clinic on every day from 10 AM to 4 PM at Ambattur Rotary Hospital. A free consultation with a Nephrologist with adequate investigation is done at this special clinic. Some of the patients attending our screening camps and are of high risk, are referred to this clinic for further investigations and advise. The purpose of this clinic is not to miss out on findings of high BP and Blood Sugar since they are more prone for Chronic Kidney Disease.
