

*helping the underprivileged
with kidney ailments*

Annual Report 2017 - 2018

OUR VISION

A world that ensures good healthcare and medical facilities to all.

OUR MISSION:

To provide quality, affordable treatment to underprivileged people, to create wareness, to detect and prevent kidney ailments.

Our Goodwill Ambassador

TANKER along with our goodwill ambassador actor Suriya intends to set up subsidized dialysis units in other parts of Tamil Nadu.

TANKER with Actor Suriya's help aims to take kidney disease awareness programmes to schools and colleges all over Tamil Nadu.

Trustee's Message

Dear TANKER- Friend,

I have a pleasure in presenting the Annual Report for the year 2017-2018. This Annual Report aims at showing you what we have achieved since TANKER'S inception in 1993 and the progress we have made this year.

We have completed **24 years** of service for the underprivileged with kidney ailments. With your help, we have meaningfully contributed to healthcare, research, training and advocacy connected to kidney disease. From June 1993 till **February** this year, TANKER has provided **239,013 free and subsidized dialysis** for **1261 patients**. We have also given financial support of **Rs. 143 Lakhs to 2916 patients** as one-time contributions ranging from Rs. 5,000/- to Rs. 50,000/- for transplantation, medication, investigation and fistula surgery costs.

Our six subsidized dialysis units have a total of **70** Dialysis Stations situated in Ambattur Rotary Hospital, **Chennai**, TVS Hospital, Chokkikulam, **Madurai**, RVS College of Nursing, Kannampalayam, **Coimbatore**, Corporation P.H.C, Nungambakkam along with RCME

Chennai, in Thiruverkadu with RCMW **Chennai** and in **Vellore** with RCVF. We do **3502** dialyses per month, of which **2785** are free of cost with valuable help from the **Chief Ministers Comprehensive Health Insurance Scheme (CMCHIS)** and other donors. At present, we help **400 patients** in our units. We also have a dialysis facility at **PIMS, Pondicherry**. In November 2009, we started our **HIV Dialysis Unit** providing dialysis to underprivileged **HIV patients**. This is the first of its kind in India. We also support Kerala Kidney Research Foundation, which provides free and subsidized dialysis at Thiruvalla Medical Mission, SH Hospital, Kottayam and PVS Hospital, Kochi (Kerala). TANKER has set up a new unit in February 2016 in **Imphal, Manipur** along with Catholic Mission Centre Hospital with 4 machines and other equipment to the tune of Rs. 33 Lakhs.

Almost 2.5 lakh people die of kidney failure in India every year. It is the third largest killer after malignancy and heart disease. Along with helping our patients, spreading the word about kidney disease is equally important to TANKER. We have reached out to more than **1.34 lakh** people with the **932 Awareness Programmes** we conducted at schools, colleges, law enforcement offices and public forums. We have also screened **24,285 individuals** for early detection of kidney disease through our **278 screening camps**. As the field of research in kidney diseases requires more attention and guidance in India, TANKER also gives awards for research in Nephrology and Service to the tune of Rs. 7 lakhs every year.

We cannot achieve all this without the support of our donors and partners. We are very grateful to them for helping us reach out to more underprivileged people.

Thank you,
Latha A. Kumaraswami
Managing Trustee

Annual Awards Program:

Awareness and Prevention Programme **13th World Kidney Day - 08.03.2018**

In 2018 The focus of World Kidney Day is on "KIDNEYS & WOMEN'S HEALTH"

Activities

WORLD KIDNEY DAY ACTIVITIES – 08th MARCH – 2018.

Capping off TANKER Foundation's World Kidney Day 2018 activities was a day of awareness, activity and fun for more than 250 patients with kidney disease and the staff of TANKER Foundation, an NGO that helps the underprivileged with kidney ailments.

World Kidney Day (WKD) is a joint initiative of the International Society of Nephrology (ISN) and the International Federation of Kidney Foundations (IFKF)

A panel of doctors namely Prof. Dr N Gopalakrishnan, HoD of Nephrology at the Madras Medical College, Dr Georgi Abraham, nephrologist and founder trustee of TANKER and Dr Suresh Sankarasubaiyan, nephrologist, advised patients and their families in a special Q&A.

World Kidney Day – Road Show – Anna Arch, Anna Nagar

TAPP CLINIC

TANKER Foundation in coordination with Rotary Club of Ambattur is conducting an exclusive clinic on every day from 10 AM to 4 PM at Ambattur Rotary Hospital. A free consultation with a Nephrologist with adequate investigation is done at this special clinic. Some of the patients attending our screening camps and are of high risk, are referred to this clinic for further investigations and advise. The purpose of this clinic is not to miss out on findings of high BP and Blood Sugar since they are more prone for Chronic Kidney Disease.

Recognition

Our Founder Trustee Dr. Georgi Abraham was awarded "Charaka Award " By Rotary Club of Guindy on 13th June 2018.

International Women's Day 2018

Our Prevention Program Head Mrs. Rajalakshmi Ravi was awarded "Woman of Mettle Award " By Eastern's Bhoomika -the iconic woman in your life.
